

## **SAIT Year-End Notice, December 2020**

### **The Festive Season**

**On behalf of The President and Executive Committee  
of the South African Institute of Tribology:**

We wish to thank All Our Members for their loyalty during this difficult year, 2020, that is, thankfully, drawing to a close.

Your continuing support, and attendance at Online Zoom Courses, Meetings and Webinars, has kept the SAIT alive and working constantly to lubricate your path through life!

We wish all our members the most joyous of Festive Seasons, filled with love, laughter music and happy companionship.

More than that, we wish you a smooth transition into 2021. The possibility of a Coronavirus Vaccine drawing nearer brings hope for an end to the difficulties and frustrations of isolation, quarantine, working-from-home, distancing and face-masks that have followed our every footstep through 2020.

Above all, we wish you continued health, safety and productivity!

We look forward to seeing you at our resumed Zoom and 'Live-and-in-Person' Courses, Webinars and Meetings in 2021.

With Warmest Wishes,

***The SAIT Secretariat***

***Gill Fuller (SAIT Secretary), Isabel Bradley (Assistant Secretary) and Berice Fayard (Bookkeeper)***
