NOMINATIONS FOR SAIT EXECUTIVE COMMITTEE FOR 2018/2019

The Executive Committee of the SAIT consists of eight members, nominated and elected by Members of SAIT. Nominations are invited for persons wishing to serve on the 2018/2019 SAIT Executive Committee. We know there are many of our Members who would be of great value on the Committee, who can guide and direct the Institute. We ask you to come forward and offer your support. Members presently serving on the Executive Committee are listed below. **Nominees should be prepared to attend the Executive Committee meetings held once a month at 16:00, and to take responsibility for their allocated portfolio.** This is of utmost importance to the smooth and efficient running of the SAIT, and the Committee requires the regular attendance and serious support of its members.

Please complete this form and mail it to the Secretary at secretary@sait.org.za by 15 April 2018. All SAIT Members in good standing will be given the opportunity to exercise their voting rights, once all nominations have been received. The new Executive Committee will be announced at the **AGM Tuesday 15 May 2018 at 18:00**, when a technical talk will be presented.

***** Please ensure that both the nominator and the nominee are in good standing with the SAIT, and that the nominee signs acceptance on this form.**
